MEMORANDUM FOR: Inspector General

SUBJECT : Watergate File Review

REFERENCE : Memorandum from the Inspector General,  
26 March 1974. Same Subject

1. In response to the request contained in the reference, this Directorate and its components have conducted a file review focusing upon new material which might be connected in any way with "Watergate." Files were searched specifically and intensely for the 13 subjects listed on pages 3, 4, 5 and 6 of your document of 22 March 1974, "WATERGATE--GUIDELINES FOR AGENCY FILE REVIEW."

2. Files were identified in three categories:

A. Files unlikely to contain "Watergate-related material." These were not reviewed based on file descriptions and the deliberate judgment of responsible officials.

B. Files whose description indicated a slight possibility of containing "Watergate-related material." These were screened by responsible officials.

C. Files whose descriptions indicated a likelihood of containing "Watergate-related material." These files were reviewed by responsible officials.

3. Nothing of significance was uncovered as a result of this file review. Those items which appeared to have "Watergate" significance were reported to your office at the time of finding. Attached are summaries of the activities of each DDM&S component. Also forwarded are certain files
